Call For Participants

Participants needed for a Interviews examining the impact on siblings of child sexual abuse survivors after a disclosure of abuse

You are eligible to take part if you meet the following:

- If you are aged over 18 years old.
- You have not experienced child sexual abuse yourself.
- You were not the perpetrator of child sexual abuse that your sibling experienced.
- You live/lived with your sibling (either full time or part time) for a period of 5 years during childhood.

Study Requirements should you wish to participate:

You will be invited to be interviewed about your experiences as a sibling after your siblings sexual abuse in childhood was disclosed.

All Sibling Types Included (E.g. Biological Siblings, Half-Siblings, Step-Siblings, Adopted Siblings.)

To take part, for more information, or if you have any questions please contact the researcher:

Philomena.Kaye@hud.ac.uk

Please feel free to share the details of this study within your own social network.

Thank You!
